OF EXTRAORDINARY IMPORTANCE - YOU’LL WANT TO GIVE IT YOUR IMMEDIATE ATTENTION

Dear Brothers and Sisters:

It is with excitement that we write this to you. The JPOF has just published a booklet NEVER TO FORGET, with drawings by William Gropper and poetry by Howard Fast, which will cause a real stir amongst our members and the general public.

NEVER TO FORGET is on the Battle of the Warsaw Ghetto, the third anniversary of which is Passover of this year. It is a moving, passionate commemoration of the Ghetto martyrs, printed in a beautiful format. We can tell you now that there need be no hesitation in making substantial orders of the booklet.

NEVER TO FORGET sells for 25 cents, a ridiculously low price for a work that will enhance the library of every member and friend of the Order. We are purposely charging this low price, at the danger of a financial loss to us, to assure a large distribution of the booklet.

NEVER TO FORGET should be gotten this month - so it can be used as an appropriate commemoration of the Battle of the Warsaw Ghetto. Therefore we ask that you place your order immediately. We honestly believe that our printing will sell out speedily and that is another reason for your immediate action.

Take our word: you needn’t hesitate to order a substantial number of NEVER TO FORGET. It is a work of great significance and something NEW.

ORDER AT ONCE FROM YOUR DISTRICT OFFICE. YOU CAN USE ORDER BLANK AT BOTTOM OF THIS LETTER.

Fraternally,

Sam Pevzner, National Activities Director
