Dear Sir:

We shall be grateful if you would place THE JEWISH FRATERNALIST (published in English) on your list to receive books for review.

This monthly magazine goes to 53,000 members of the Jewish Peoples Fraternal Order throughout the country. Our membership is a highly literate group, intensely interested in books of importance, in many cases organized in "reading circles" where current books are discussed and distributed.

We enclose a copy of THE JEWISH FRATERNALIST and call your attention to the monthly column THE WORLD OF BOOKS as well as our BOOK BAROMETER on page 10.

Articles are printed from time to time on books of special interest to our members.

We shall be glad to send you two tear sheets of reviews of your books.

Very truly yours,

Sam Pevzner
Editor
