Mr. Herman Hoffman,

New York, N. Y.

Dear Mr. Hoffman:

I am sure that you will recall our conversation at the Modern Macabee Dinner in connection with the American Jewish Assembly and the International Workers Order. During that conversation, I promised that I would keep you informed of all developments. I am, therefore, herewith enclosing a copy of the letter which I sent to Mr. Mensky, making formal application for admission of the International Workers Order to the American Jewish Assembly. I am also sending you a copy of the statement which we presented at the Pittsburgh Conference, and as soon as the interview which was published in The Day on March 2nd has been translated, I will send you a copy of that.

I hope that it will be possible for you, as a high-ranking official of the Organizing Committee for the American Jewish Assembly, and as one who is vitally interested in furthering the cause of unity among the Jewish people, to assist us in this connection. Any comments or suggestions that you may want to make will be very much appreciated.

Very sincerely yours,

R. Saltzman.
