Dear Mrs. Zhitlowsky:

You have probably received the letter we sent you last week, but we are sending you this information again just in case.

The lecture in Paterson, N. J., is to be held this Saturday evening, April 29th, at 89 Carroll Street. The topic: Dr. Zhitlowsky and his position on the Soviet Union. The lecture is being arranged by the women's club, and the following is the name and address of the president:

Mrs. B. Arcowitz
125 12th Avenue
Paterson, N. J.

Paterson can be reached by bus from the bus terminal at 41st Street and 7th Avenue; or by train via Hudson Tubes to Erie Railroad Station and from there to Paterson.

Mr. Saltzman has asked me to tell you that he has not yet been able to get an appointment with Mr. Weinberg, but definitely expects to this week. He will, of course, inform you of the results immediately after the meeting.

Sincerely yours,
