Mrs. Nora Zhitlowsky  
162 Seminole Avenue  
Forest Hills, L. I.

Dear Nora:

I received your letter and it is my personal opinion that Sechooler is not the proper translator of Zhitlowsky's works. If Morgenstern is really interested in issuing one or two volumes of Zhitlowsky's Selected Works into the English language, we can find the proper person to do justice to Dr. Zhitlowsky. I would therefore suggest to you that you write my opinion to Morgenstern.

Best regards.

Sincerely,

R. Saltzman.

P.S. I am returning herewith Morgenstern's letter to you.
