Dear Hershel:

There have been a number of requests from all over the country for the music that was used in connection with the cantata "Heritage" and I am now in the process of preparing the music for distribution. Can I count on you to help me secure the music for the "Sweat Shop Song" which was used in the cantata? I recall that either you or Esther Silver owned the booklet in which the song was published. May I borrow a copy?

I will very much appreciate your getting in touch with me on this at your earliest convenience.

Very best wishes.

Cordially,

Leah
