President Roosevelt
White House
Washington, D.C.

Dear Mr. President:

In the name of 35,000 members of the Jewish Section of the International Workers Order we wish to express our deepest gratitude for the outspoken condemnation you have expressed of the Nazi atrocities against the Jewish people. The entire civilized world joins in thanking you for a courageous and forthright statement of its feelings.

We sincerely hope that this statement and the recall of our ambassador to Germany will be followed by a trade embargo against Germany and other official acts of the United States Government to show the present rulers in Germany that America condemns a reversal to the Middle Ages.

Respectfully yours,

R. Saltzman
National Secretary
